*Counsel for Plaintiff and Proposed Class*

**UNITED STATES DISTRICT COURT  
CENTRAL DISTRICT OF CALIFORNIA**

DALE HAHN, individually and on  
behalf of all others similarly situated,

Plaintiff,

vs.

FARMERS GROUP, INC.,

Defendant.

Case No.

**CLASS ACTION**

**COMPLAINT FOR VIOLATIONS  
OF THE TELEPHONE  
SOLICITATION ACT 47 U.S.C. §  
227, ET SEQ. (TCPA)**

**JURY TRIAL DEMANDED**

1 **CLASS ACTION COMPLAINT**

2 1. Plaintiff, Dale Hahn (“Plaintiff”), brings this action against Defendant,  
3 Farmers Group, Inc. (“Defendant”), to secure redress for violations of the Telephone  
4 Consumer Protection Act (“TCPA”), 47 U.S.C. § 227.

5 **NATURE OF THE ACTION**

6 2. This is a putative class action pursuant to the Telephone Consumer  
7 Protection Act, 47 U.S.C. § 227 et seq., (the “TCPA”).

8 3. Defendant is a national insurance broker that provides a wide range of  
9 consumer insurance products. To promote its services, Defendant engages in aggressive  
10 unsolicited marketing, harming thousands of consumers in the process. Defendant  
11 utilizes aggressive marketing to push its products without regards to consumers’ rights  
12 under the TCPA.

13 4. Through this action, Plaintiff seeks injunctive relief to halt Defendant’s  
14 illegal conduct, which has resulted in the invasion of privacy, harassment, aggravation,  
15 and disruption of the daily life of thousands of individuals. Plaintiff also seeks statutory  
16 damages on behalf of himself and members of the class, and any other available legal  
17 or equitable remedies

18 **JURISDICTION AND VENUE**

19 5. Jurisdiction is proper under 28 U.S.C. § 1331 as Plaintiff alleges violations  
20 of a federal statute. Jurisdiction is also proper under 28 U.S.C. § 1332(d)(2) because  
21 Plaintiff alleges a national class, which will result in at least one class member belonging  
22 to a different state than that of Defendant. Plaintiff seeks up to \$1,500.00 (one-  
23 thousand-five-hundred dollars) in damages for each call in violation of the TCPA,  
24 which, when aggregated among a proposed class numbering in the tens of thousands,  
25 or more, exceeds the \$5,000,000.00 (five-million dollars) threshold for federal court  
26 jurisdiction under the Class Action Fairness Act (“CAFA”). Therefore, both the  
27 elements of diversity jurisdiction and CAFA jurisdiction are present.

6. Venue is proper in the United States District Court for the Central District of California pursuant to 28 U.S.C. § 1391(b) and (c) because Defendant's headquarters are located in this district, because Defendant is deemed to reside in any judicial district in which it is subject to the court's personal jurisdiction, and because Defendant provides and markets its services from within this district thereby establishing sufficient contacts to subject it to personal jurisdiction. Further, Defendant's tortious conduct against Plaintiff occurred from within the State of California and, on information and belief, Defendant has sent the same text messages complained of by Plaintiff to other individuals within this judicial district, such that some of Defendant's acts in making such calls have occurred within this district, subjecting Defendant to jurisdiction in the State of California.

**PARTIES**

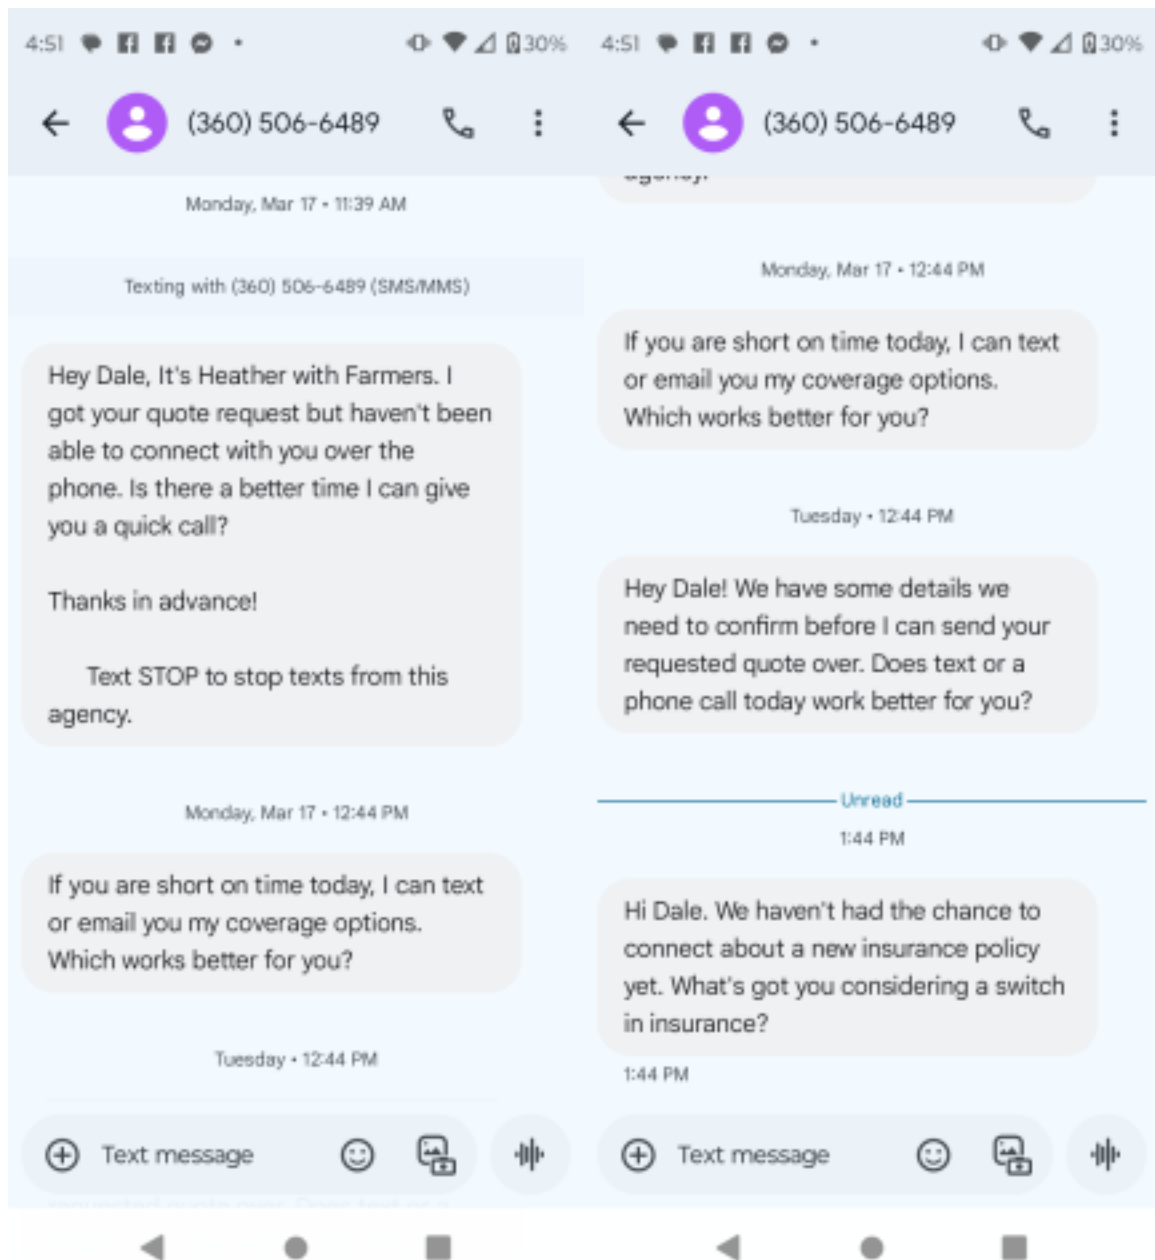

7. Plaintiff is a natural person who, at all times relevant to this action, was a resident of Klamath County, Oregon.

8. Defendant is a Nevada company whose principal place of business is located at 6301 OWENSMOUTH AVE., WOODLAND HILLS, CA 91367. Defendant directs, markets, and provides its business activities throughout United States and the State of California.

9. Unless otherwise indicated, the use of Defendant's name in this Complaint includes all agents, employees, officers, members, directors, heirs, successors, assigns, principals, trustees, sureties, subrogees, representatives, vendors, and insurers of Defendant

## FACTUAL ALLEGATIONS

10. Beginning in March, 2025, Defendant began bombarding Plaintiff with telemarketing text messages to Plaintiff's cellular telephone number ending in 1914 (the "1914 Number") including but not limited to the following texts below:

11. Defendant's text messages were transmitted to Plaintiff's cellular telephone, and within the time frame relevant to this action.

12. Defendant's text messages constitute telemarketing because they encouraged the future purchase or investment in property, goods, or services, i.e., promoting Defendant's insurance products.

13. The information contained in the text message advertises Defendant's various promotions, which Defendant sends to promote its business.

14. Defendant is not Plaintiff's insurance provider, and Plaintiff has never had any relationship with Defendant.

15. Defendant sent the subject texts from within this judicial district and, therefore, Defendant's violation of the TCPA occurred within this district. Upon information and belief, Defendant caused other text messages to be sent to individuals residing within this judicial district.

16. Defendant's texts were not made for an emergency purpose or to collect on a debt pursuant to 47 U.S.C. § 227(b)(1)(B).

17. At no point in time did Plaintiff provide Defendant with his express written consent to be contacted.

18. Specifically, Plaintiff never completed any type of form that clearly and conspicuously authorized Defendant to contact Plaintiff's cellular telephone with marketing text messages.

19. Plaintiff has no existing business relationship with Defendant.

20. Plaintiff is the subscriber and sole user of the 1914 Number and is financially responsible for phone service to the 1914 Number.

21. Plaintiff's 1914 Number is his residential number used for personal purposes.

22. Plaintiff's 1914 Number has been registered with the national do-not-call registry since March 18, 2013, and at all times relevant to this action.

23. The TCPA’s implementing regulation, 47 C.F.R. § 64.1200(c), provides that “[n]o person or entity shall initiate any telephone solicitation” to “[a] residential telephone subscriber who has registered his or his telephone number on the national do-not-call registry of persons who do not wish to receive telephone solicitations that is maintained by the federal government.

24. The text messages originated from telephone number 360-506-6489, a number which upon information and belief is owned and operated by Defendant or on behalf of Defendant.

25. Defendant's unsolicited text messages caused Plaintiff actual harm, including invasion of his privacy, aggravation, annoyance, intrusion on seclusion, trespass, and conversion. Defendant's text messages also inconvenienced Plaintiff and caused disruption to his daily life.

26. Defendant's unsolicited text messages caused Plaintiff actual harm. Specifically, Plaintiff estimates that he has wasted fifteen to thirty seconds reviewing each of Defendant's unwanted messages. Each time, Plaintiff had to stop what he was doing to either retrieve his phone and/or look down at the phone to review the message.

### **CLASS ALLEGATIONS**

#### **PROPOSED CLASS**

27. Plaintiff brings this case as a class action pursuant to Fed. R. Civ. P. 23, on behalf of himself and all others similarly situated.

28. Plaintiff brings this case on behalf of a Class defined as follows:

**Do Not Call Registry Class: All persons in the United States who from four years prior to the filing of this action (1) were sent a text message by or on behalf of Defendant; (2) more than one time within any 12-month period; (3) where the person's telephone number had been listed on the National Do Not Call Registry for at least thirty days; (4) for the purpose of selling Defendant's products and services; and (5) for whom Defendant claims (a) it did not obtain prior express written consent, or (b) it obtained prior express written consent in the same manner as Defendant claims it supposedly obtained prior express written consent to call the**

**Plaintiff.**

29. Defendant and its employees or agents are excluded from the Class. Plaintiff does not know the number of members in the Class, but believes the Class members number in the several thousands, if not more.

**NUMEROSITY**

30. Upon information and belief, Defendant has placed violative calls to cellular telephone numbers belonging to thousands of consumers throughout the United States who are registered on the Do Not Call registry. The members of the Class, therefore, are believed to be so numerous that joinder of all members is impracticable.

31. The exact number and identities of the Class members are unknown at this time and can only be ascertained through discovery. Identification of the Class members is a matter capable of ministerial determination from Defendant's call records.

**COMMON QUESTIONS OF LAW AND FACT**

32. There are numerous questions of law and fact common to the Class which predominate over any questions affecting only individual members of the Class. Among the questions of law and fact common to the Class are:

- a. Whether Defendant violated 47 C.F.R. § 64.1200(c);
- b. Whether Defendant's conduct was knowing and willful;
- c. Whether Defendant violated the privacy rights of Plaintiff and members of the class;
- d. Whether Defendant is liable for damages, and the amount of such damages; and
- e. Whether Defendant should be enjoined from such conduct in the future.

33. The common questions in this case are capable of having common answers. If Plaintiff's claim that Defendant routinely transmits text messages to telephone numbers assigned to cellular telephone services is accurate, Plaintiff and the

1 Class members will have identical claims capable of being efficiently adjudicated and  
2 administered in this case.

3 **TYPICALITY**

4 34. Plaintiff's claims are typical of the claims of the Class members, as they  
5 are all based on the same factual and legal theories.

6 **PROTECTING THE INTERESTS OF THE CLASS MEMBERS**

7 35. Plaintiff is a representative who will fully and adequately assert and protect  
8 the interests of the Class, and has retained competent counsel. Accordingly, Plaintiff is  
9 an adequate representative and will fairly and adequately protect the interests of the  
10 Class.

11 **PROCEEDING VIA CLASS ACTION IS SUPERIOR AND ADVISABLE**

12 36. A class action is superior to all other available methods for the fair and  
13 efficient adjudication of this lawsuit, because individual litigation of the claims of all  
14 members of the Class is economically unfeasible and procedurally impracticable. While  
15 the aggregate damages sustained by the Class are in the millions of dollars, the individual  
16 damages incurred by each member of the Class resulting from Defendant's wrongful  
17 conduct are too small to warrant the expense of individual lawsuits. The likelihood of  
18 individual Class members prosecuting their own separate claims is remote, and, even if  
19 every member of the Class could afford individual litigation, the court system would be  
20 unduly burdened by individual litigation of such cases.

21 37. The prosecution of separate actions by members of the Class would create  
22 a risk of establishing inconsistent rulings and/or incompatible standards of conduct for  
23 Defendant. For example, one court might enjoin Defendant from performing the  
24 challenged acts, whereas another may not. Additionally, individual actions may be  
25 dispositive of the interests of the Class, although certain class members are not parties  
26 to such actions.

**COUNT I****Violation of the TCPA 47 U.S.C. § 227****(On Behalf of the Plaintiff and the Do Not Call Registry Class)**

38. Plaintiff repeats and re-alleges paragraphs 1 through 37 of this Complaint and incorporates them by reference herein.

39. The TCPA's implementing regulation, 47 C.F.R. § 64.1200(c), provides that "[n]o person or entity shall initiate any telephone solicitation" to "[a] residential telephone subscriber who has registered his or his telephone number on the national do-not-call registry of persons who do not wish to receive telephone solicitations that is maintained by the federal government."

40. 47 C.F.R. § 64.1200(e), provides that § 64.1200(c) and (d) "are applicable to any person or entity making telephone solicitations or telemarketing calls to wireless telephone numbers."<sup>1</sup>

41. 47 C.F.R. § 64.1200(d) further provides that "[n]o person or entity shall initiate any call for telemarketing purposes to a residential telephone subscriber unless such person or entity has instituted procedures for maintaining a list of persons who request not to receive telemarketing calls made by or on behalf of that person or entity."

42. Any "person who has received more than one telephone call within any 12-month period by or on behalf of the same entity in violation of the regulations prescribed under this subsection may" may bring a private action based on a violation of said regulations, which were promulgated to protect telephone subscribers' privacy rights to avoid receiving telephone solicitations to which they object. 47 U.S.C. § 227(c).

43. Defendant violated 47 C.F.R. § 64.1200(c) by initiating, or causing to be initiated, telephone solicitations to telephone subscribers such as Plaintiff and the Do Not Call Registry Class members who registered their respective telephone numbers on

1 the National Do Not Call Registry, a listing of persons who do not wish to receive  
2 telephone solicitations that is maintained by the federal government.

3 44. Defendant violated 47 U.S.C. § 227(c)(5) because Plaintiff and the Do Not  
4 Call Registry Class received more than one telephone call in a 12-month period made  
5 by or on behalf of Defendant in violation of 47 C.F.R. § 64.1200, as described above.  
6 As a result of Defendant's conduct as alleged herein, Plaintiff and the Do Not Call  
7 Registry Class suffered actual damages and, under section 47 U.S.C. § 227(c), are  
8 entitled, *inter alia*, to receive up to \$500 in damages for such violations of 47 C.F.R. §  
9 64.1200.

10 45. To the extent Defendant's misconduct is determined to be willful and  
11 knowing, the Court should, pursuant to 47 U.S.C. § 227(c)(5), treble the amount of  
12 statutory damages recoverable by the members of the Do Not Call Registry Class.

13 **PRAYER FOR RELIEF**

14 **WHEREFORE**, Plaintiff, individually and on behalf of the Classes, prays for  
15 the following relief:

- 16 a. An order certifying this case as a class action on behalf of the Class as  
17 defined above, and appointing Plaintiff as the representative of the Class  
18 and Plaintiff's counsel as Class Counsel;
- 19 b. An award of actual and statutory damages for Plaintiff and each member  
20 of the Class;
- 21 c. An order declaring that Defendant's actions, set out above, violate the  
22 TCPA;
- 23 d. An injunction requiring Defendant to cease all unsolicited text messaging  
24 activity, and to otherwise protect the interests of the Class;
- 25 e. Such further and other relief as the Court deems necessary.

26 **JURY DEMAND**

27 Plaintiff and Class Members hereby demand a trial by jury.

**DOCUMENT PRESERVATION DEMAND**

Plaintiff demands that Defendant take affirmative steps to preserve all records, lists, electronic databases or other itemizations associated with the allegations herein, including all records, lists, electronic databases or other itemizations in the possession of any vendors, individuals, and/or companies contracted, hired, or directed by Defendant to assist in sending the alleged communications.
